ON Chapter education day

In-person event

October 3, 2025

Date & Time (ET)	Content
8:00 a.m. - 9:15 a.m.	**Registration & Networking Breakfast** **Breakfast Networking Sponsor:** Please arrive at 8:00 a.m. for a light breakfast and networking provided by **Scojo Coding.**
9:15 a.m. - 9:30 a.m.	**Opening Remarks** **Speaker: Mary Thorne,** HICA, CAPM, Board of Directors, CHIMA and CCHIM
9:30 a.m. - 10:30 a.m.	**Modernising CIHI's Classification Assets** **Speakers: Jillian Johnson,** Specialist, Classifications and Terminologies – Development, CIHI & **Renata Iannucci,** Program Lead, Classifications and Terminologies – Operations, CIHI Hear about initiatives to modernize the Canadian Coding Standards (CCS), Canadian Classification of Health Interventions (CCI), and ICD-10-CA to keep pace with evolving clinical and technological needs. These efforts aim to improve efficiency, reduce coding burden, support interoperability, and align with future electronic health record practices. Key developments include the Canadian Classification Browser (CCB), a web-based tool combining ICD-10-CA, CCI, and CCS, and the introduction of provisional use codes from CIHI to address urgent health information needs.
10:30 a.m. - 10:50 a.m.	**Break**
10:50 a.m. - 12:00 p.m.	**Cross-Disciplinary Approaches to Metric Development for Clinical Quality Improvement: Global Perspectives** **Speaker: Jennifer Connolly,** BSc, MSc, Co-Founder and Lead, Edge Health Canada, Edge Health Insights This presentation outlines a framework for using administrative data to support health system quality improvement, drawing on case-studies from programs in the UK and Canada. We will discuss best-practices such as co-designing metrics, developing benchmarks to identify variation, and engagement with decision-makers that supports lasting quality improvement. Throughout the presentation, we will emphasize the importance of interdisciplinary collaboration between administrative/clinical leaders, data analysts, and coding specialists. Attendees will walk away with a practical blueprint for implementing data-driven quality improvement at scale.
12:00 p.m. - 1:15 p.m.	**Lunch & Networking**
1:15 p.m. - 2:15 p.m.	**Strengthening Pathways for Community-Driven Data Use** **Speaker: Minnie Ho,** ICES If you're part of a community organization, join to learn about data analytic services at ICES. If you're a professional, join to learn about process lessons in making data analytics more accessible.
2:15 p.m. - 2:35 p.m.	**Break**
2:35 p.m. - 3:35 p.m.	**Content coming soon!** **Speaker: Solventum**
3:35 p.m. - 3:50 p.m.	**Closing Remarks** **Speaker: Betsy Nejat,** BA (Hons), CAE, Senior Director of Partnerships and External Relations

The agenda is subject to change. Please check back regularly for updates.
